

West Florida QC Regionals News

Corey Acor will represent the West having survived a 3-way tie with Andres Hernandez and Rob Clark, who all scored 4-1 in the regular Game 29 tournament. In the playoff, Andres tied with Rob, but Corey went undefeated to win the right to play in the QC Championships in Naples.

Good luck to Corey and all the players attending the Florida State Championship.

The West Regionals was played at the brand new, and I might add fantastic, new site on Busch Blvd. the venue has a quiet and clean playing hall, holds 50 players, and a separate skittle rooms for relaxation, snack bar, and going over your games.
